_____, _____ and _____

That was a lot of fun and relaxing too! But, I am getting hungry! I need a diet coke and a sandwich. My friend told me that the Mombasa Island Cooker is the best place to eat in the Animal Park. If we sit in the Mombasa Island Pavilion what three types of animals are we likely to see while eating?
_____, _____ and _____

That was a good place to eat. Now we can go to my favorite exhibit. I like the Lowland Gorilla's because they remind my kids ☺ It is nice to see that they have such a big exhibit. Use the map scale to estimate how big their exhibit is.
_____ m.

Your brother is tired of sitting in the stroller. Which direction do we need to go to walk to the Samburu Jungle Gym? _____

Now that he is tired, let's put him back in the stroller and go feed the giraffes! How many grid squares do we need to pass through to get from the Jungle Gym to the Giraffe Feeding area? _____

Phew!!! That was a really long walk and I need to rest again. What sort of things can we do at the Okavango Outpost?

Once we walk back to the entrance at the Heart of Africa, which way should we go to see the African Lions? Right or Left? _____

The lions were cool but I am HOT! Which direction is the Savanna Cool Zone? _____

After we play in the water, let's go watch the elephant show! It is almost 2:30. Look at 'Today's Schedule' and see when the next show is. _____

The show was great but now I am in the mood to pet some animals. What is the name of the exhibit we should go to if we want to visit the petting area? _____ Which grid square is it in? _____

Your baby brother wants to see 'zaboomafoo'. That is what he calls the lemurs! Which direction do we need to go when we leave the petting area? _____

Our day is almost done! What is the name of a store where we can stop and buy some souvenirs from our great day? _____

We need to take the stroller back before we leave. What grid square was that in again? _____

You were so good. I hope you enjoyed your trip! They gave me a coupon for the San Diego Zoo when we left so maybe, if you are really good, we can take a fieldtrip there next week!!!
